

Passenger Car Turbochargers

Official Partner of BMTS Technology

OE Germany turns on the turbo

Under the brand „OE Germany“, we have been distributing the best spare parts quality in the international independent aftermarket since the beginning of 2010. Benefit from our many years of experience in the automotive sector and let our high-quality products and excellent service convince you. Your perfect choice for quality and cost-conscious customers is the new turbocharger line from OE Germany.

A strong partnership

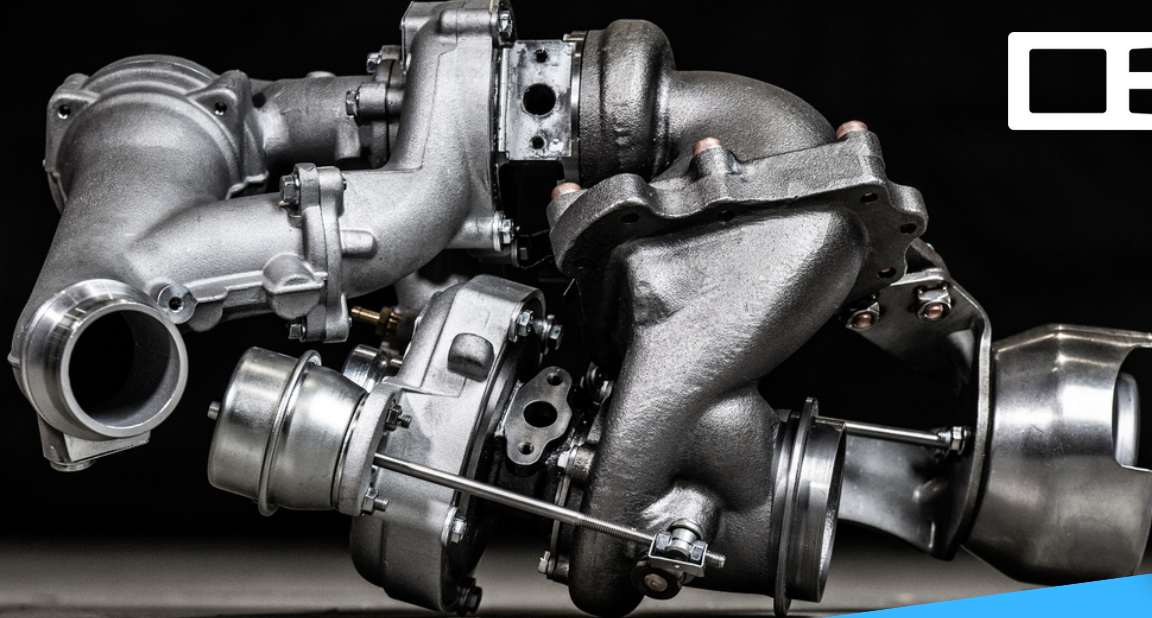

The product portfolio is supplemented by OE Germany's partnership with BMTS-Technology (formerly Bosch MAHLE TurboSystem). With the exhaust gas turbochargers from BMTS-Technology we have added another quality product to our portfolio. We have the following products from BMTS Technology available from stock.

We have competitive solutions adapted to their requirements:

- Original
- No deposit on old parts
- OE production
- OE quality
- All relevant data in TecDoc
